“Plans are nothing;
planning is
everything.”

Dwight D. Eisenhower

Introduction

In today's fast-paced world, individuals and teams struggle to stay organized and on top of their workloads, leading to missed deadlines, decreased productivity, and increased stress.

Using **Tasky**, you can regain control of your time and achieve your goals with ease.

Tasky provides a user-friendly platform for organizing tasks, setting priorities, tracking progress, and collaborating with others.

objectives

An Application that help users:

- Manage their time efficiently .
- Organize their tasks and categorize them into projects.
- Set due dates for tasks with Notifications and reminders for upcoming due dates.
- Filter tasks by priority, or due date.
- Track their progress in completing their tasks.

FEATURES

Tasky
includes
four main
pages/Tabs:

- 1.The Task tab
- 2.The Calendar
- 3.Study techniques tab
- 4.Tasks progress tab

TASK TAB

THE MAIN PAGE FOR THE APP

Task Tab

- In the task tab we can create our tasks or events , search , sort , edit or delete existing tasks and mark tasks as completed if we finished them

The screenshot displays the 'Tasky' application interface, specifically the 'Task Tab'. The interface is divided into a sidebar on the left and a main content area. The sidebar contains links for 'App', 'Settings', 'Tasks and Events', 'Calendar', 'Study Techniques', and 'Tasks Progress'. The main content area features a top bar with an 'Add' button, a search input field, and sorting options: 'Sort by Due Date' (dropdown), 'Ascendingly' (button), and a sort icon (button). Below this, the 'Tasks' section lists two tasks. Each task entry includes a title, a due date and time, and three action buttons: 'Incompleted', 'Edit', and 'Delete'. The first task is 'Sheet 1' with a due date of '27/12/2024 11:42 PM' and a description of 'solve sheet 1 math'. The second task is 'lab 3' with a due date of '28/12/2024 11:43 PM' and a description of 'finish lab 3 programming'. To the right of each task description is a large text area for adding steps, with a placeholder 'Enter a step'.

2. Set the task priority based on its importance for you

A screenshot of a software window titled "Add Window" with a close button (X) and a help button (?). The window has two tabs: "Task" (selected) and "Event". The "Task" tab contains a "Title" text field, a "Description" text area, and a priority dropdown menu. The dropdown menu is open, showing three options: "Low Priority" (highlighted), "Moderate Priority", and "High Priority". To the right of the "Title" field is a blue "Add" button and a text field labeled "Insert a Tag". Below the "Description" field is a "Due Date" field showing "27/12/2024 12:01 AM" and a "No Repeating" dropdown menu. At the bottom right are "OK" and "Cancel" buttons. A red rectangle highlights the priority dropdown menu and its options. A green diagonal striped pattern is visible in the bottom right corner of the image.

Task Tab

3. Choose a tag for your task to categorize it (optional)

The screenshot shows a 'Task' entry form within an 'Add Window' dialog. The 'Task' tab is active, showing a 'Title' field, a 'Description' text area, a 'Priority' dropdown set to 'Low Priority', a 'Due Date' field with the value '27/12/2024 12:01 AM', and a 'Repeating' dropdown set to 'No Repeating'. A red rectangular box highlights the 'Add' button and the 'Insert a Tag' input field, indicating the step to choose a tag for the task.

Task Tab

4. Set the deadline/Due Date for the task

The screenshot shows a 'Task' tab in an 'Add Window' dialog. The 'Title' field is empty, and the 'Description' field is a large text area. The 'Priority' is set to 'Low Priority'. A blue 'Add' button is next to the 'Priority' dropdown. To the right of the 'Add' button is a button labeled 'Insert a Tag' and an empty text box. Below these is the 'Due Date' field, which is highlighted with a red rectangle and shows the date '27/12/2024 12:01 AM'. Below the 'Due Date' field is a 'No Repeating' dropdown menu. At the bottom are 'OK' and 'Cancel' buttons.

5. Choose the repeating manner of the task (None, daily, weekly, monthly, yearly)

The screenshot shows a window titled "Add Window" with a close button (X) and a help button (?). It has two tabs: "Task" (selected) and "Event". The "Task" tab contains a "Title" input field, a "Description" text area, a "Priority" dropdown menu set to "Low Priority", an "Add" button, an "Insert a Tag" input field, and a "Due Date" field set to "27/12/2024 12:01 AM". A dropdown menu for "Repeating" is open, showing options: "No Repeating", "Daily", "Weekly", "Monthly", and "Yearly". The "No Repeating" option is highlighted. A red rectangle highlights the "Repeating" dropdown menu.

Task Tab

- We can add also an event the same way as the task

A screenshot of a software interface window titled "Add Window". The window has a light gray header bar with a plus icon, the title "Add Window", a question mark, and a close button (X). Below the header, there are two tabs: "Task" and "Event". The "Event" tab is currently selected, indicated by a blue vertical line and blue text. The main content area of the "Event" tab contains a "Title" text input field, a large "Description" text area, a "Date" label next to a date and time picker showing "27/12/2024 1:32 AM", and a "No Repeating" dropdown menu. At the bottom right of the window are two blue buttons labeled "OK" and "Cancel".

Task Tab

- In the Edit Window , we can edit any field of the previous fields

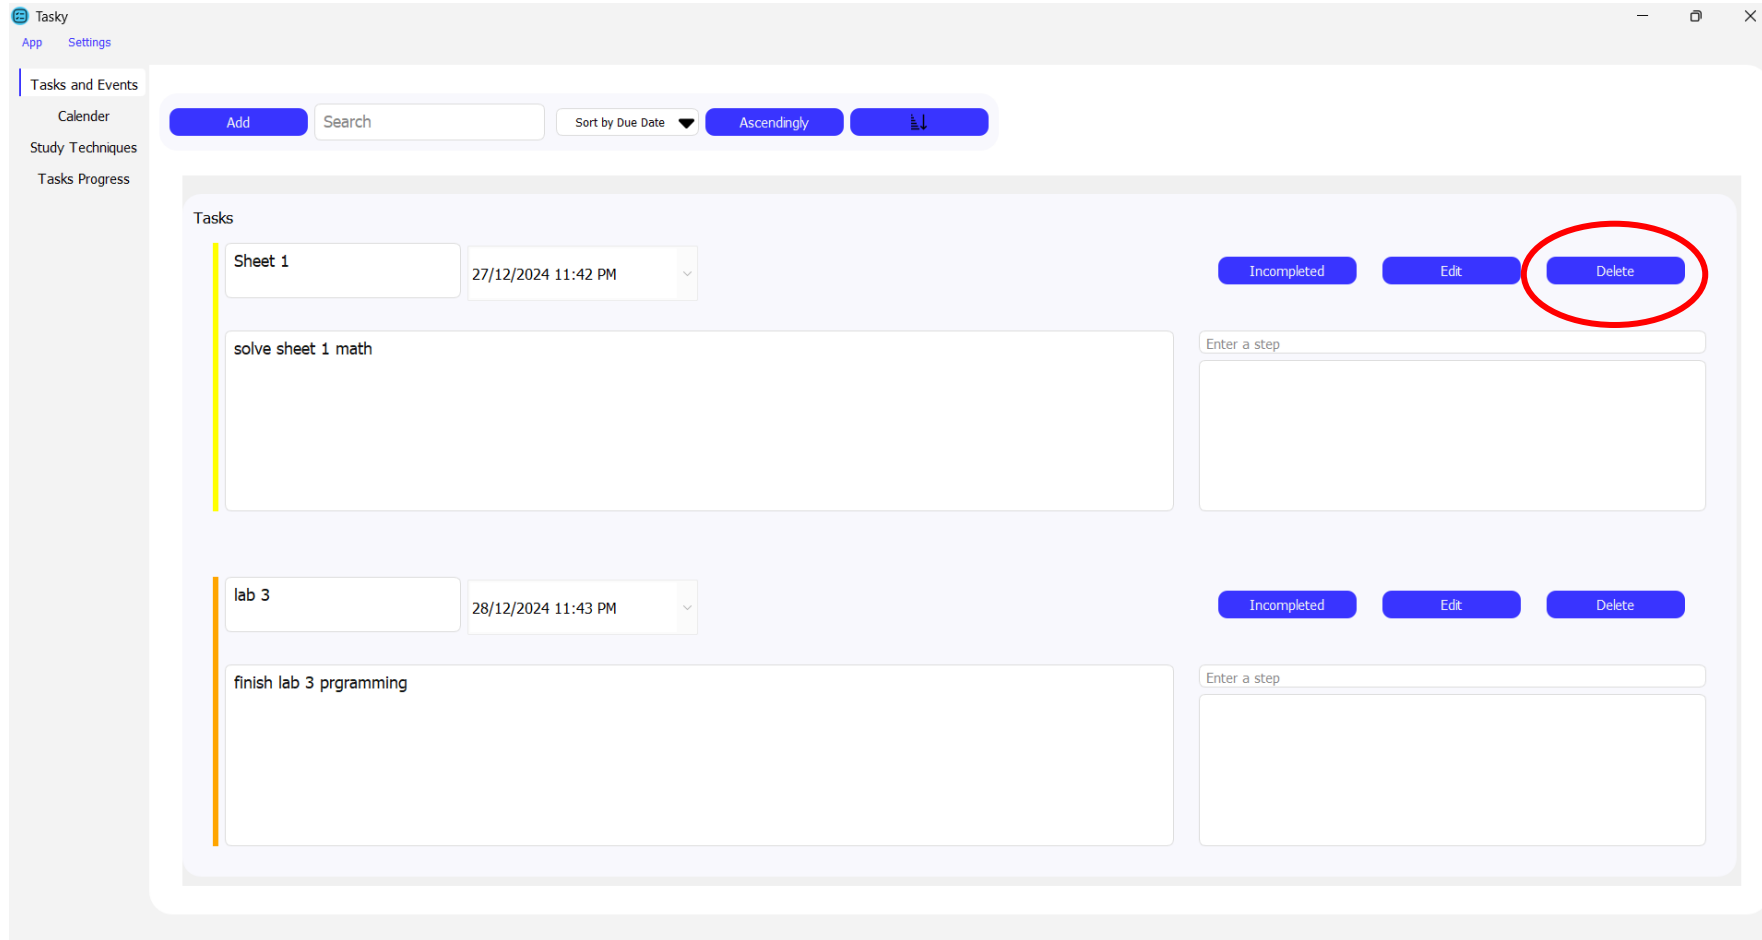

The screenshot shows a window titled "Edit Task" with a close button (X) and a help button (?). The window has a tab labeled "Task". Inside the window, there are several fields and buttons:

- A text input field labeled "Sheet 1" containing the text "Sheet 1".
- A dropdown menu labeled "Low Priority" with a downward arrow.
- A blue button labeled "Add".
- A text input field labeled "Insert a Tag" containing the text "study".
- A large text area containing the text "solve sheet 1 math".
- A "Due Date" label next to a date and time input field showing "27/12/2024 11:42 PM" and a downward arrow.
- A dropdown menu labeled "No Repeating" with a downward arrow.
- Two blue buttons at the bottom: "OK" and "Cancel".

Task Tab

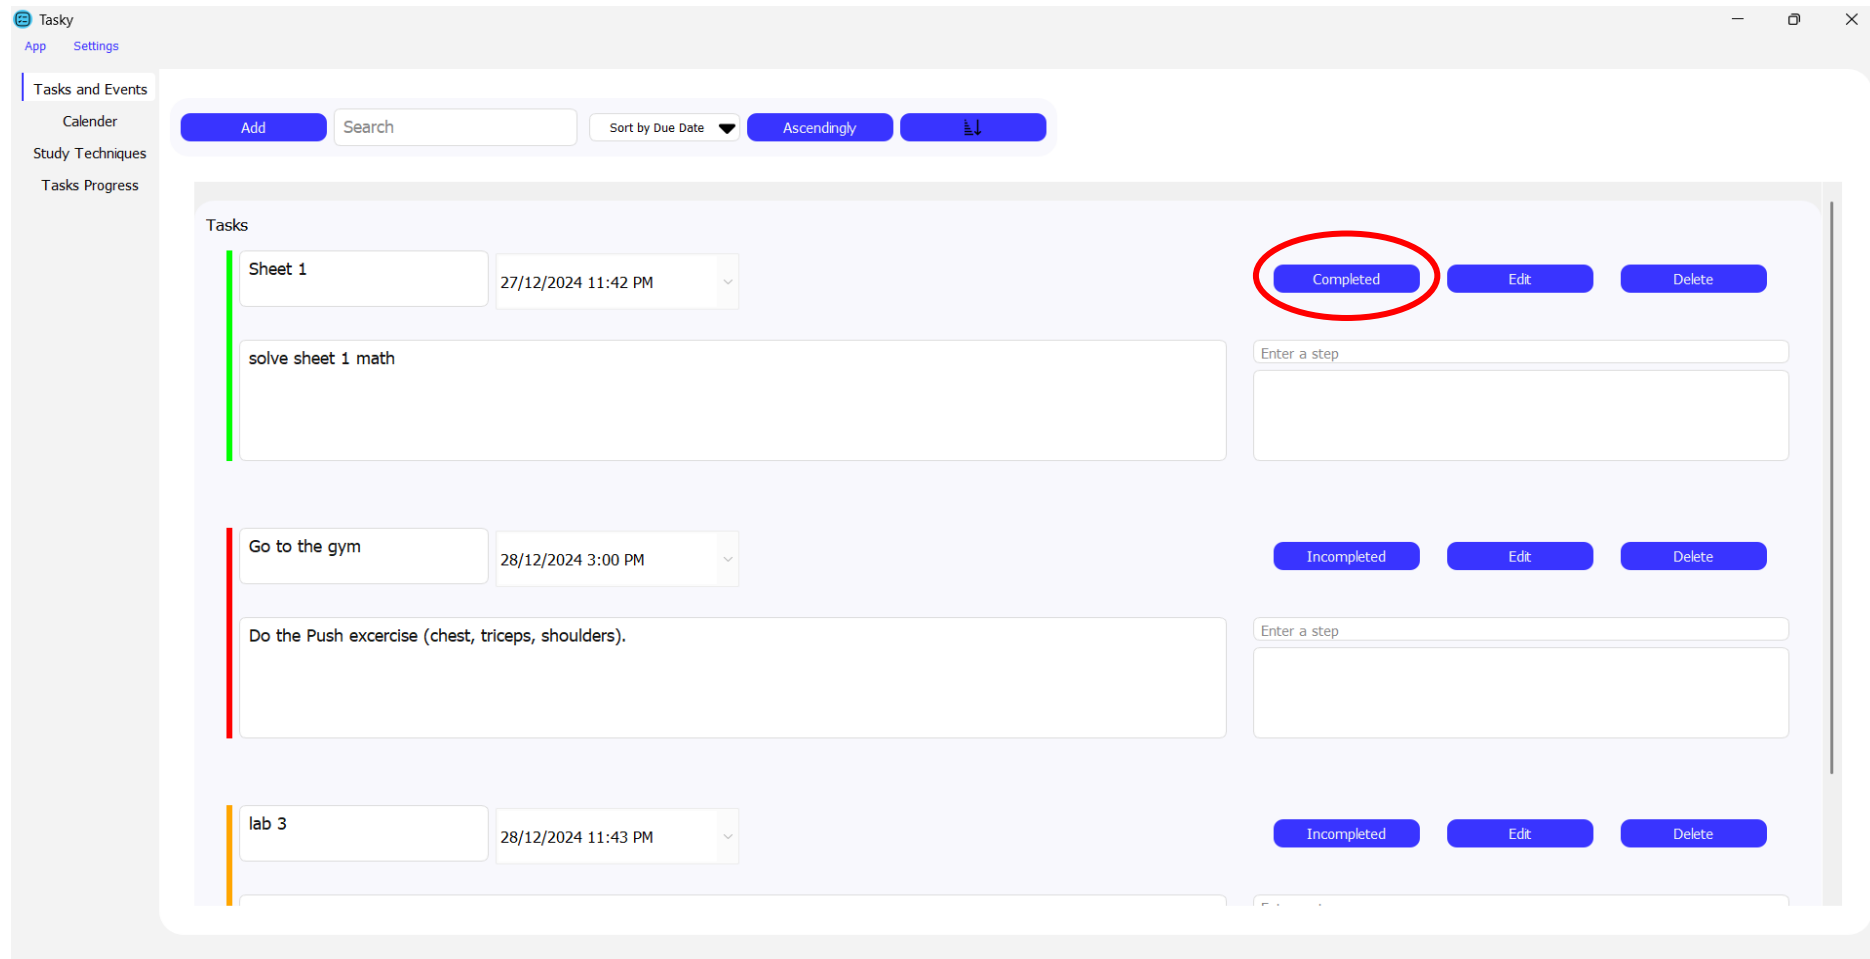

- By clicking on “delete” button, we can remove the task

Task Tab

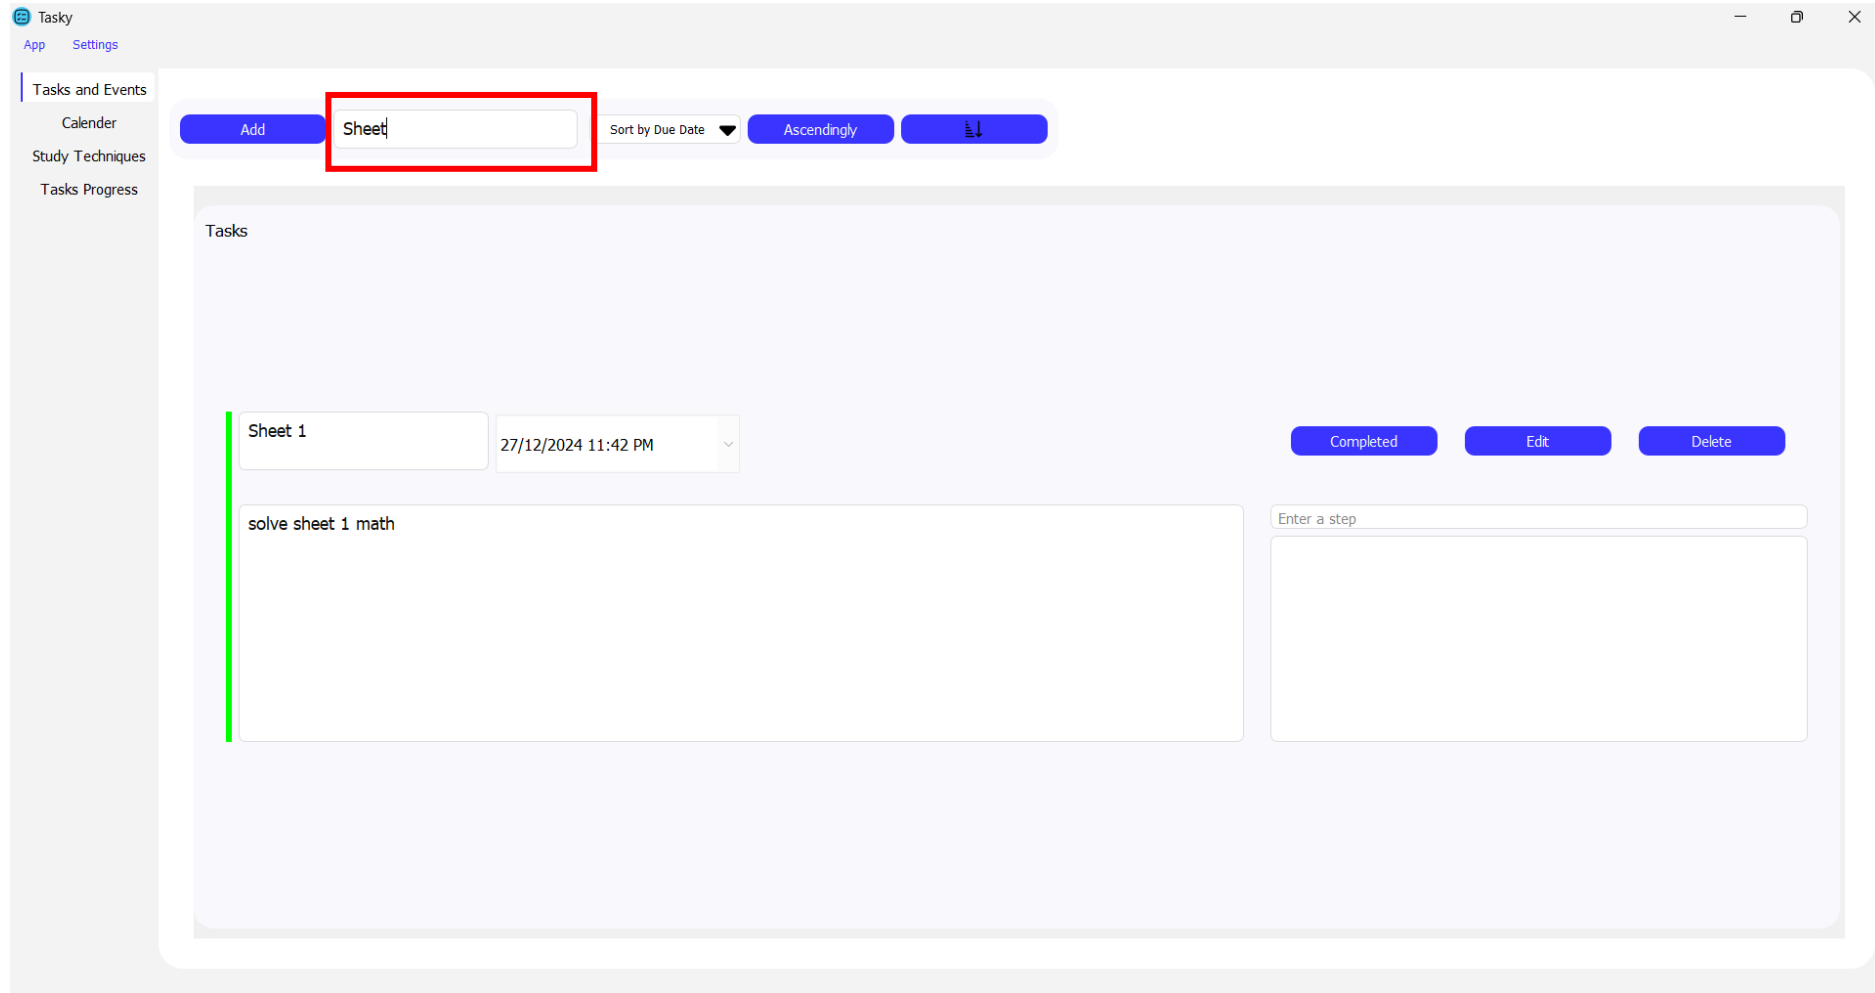

- By clicking on “Incompleted” button, the task marked as completed and the task bar changes to green

Task Tab

- We can search for the task based on its title

Task Tab

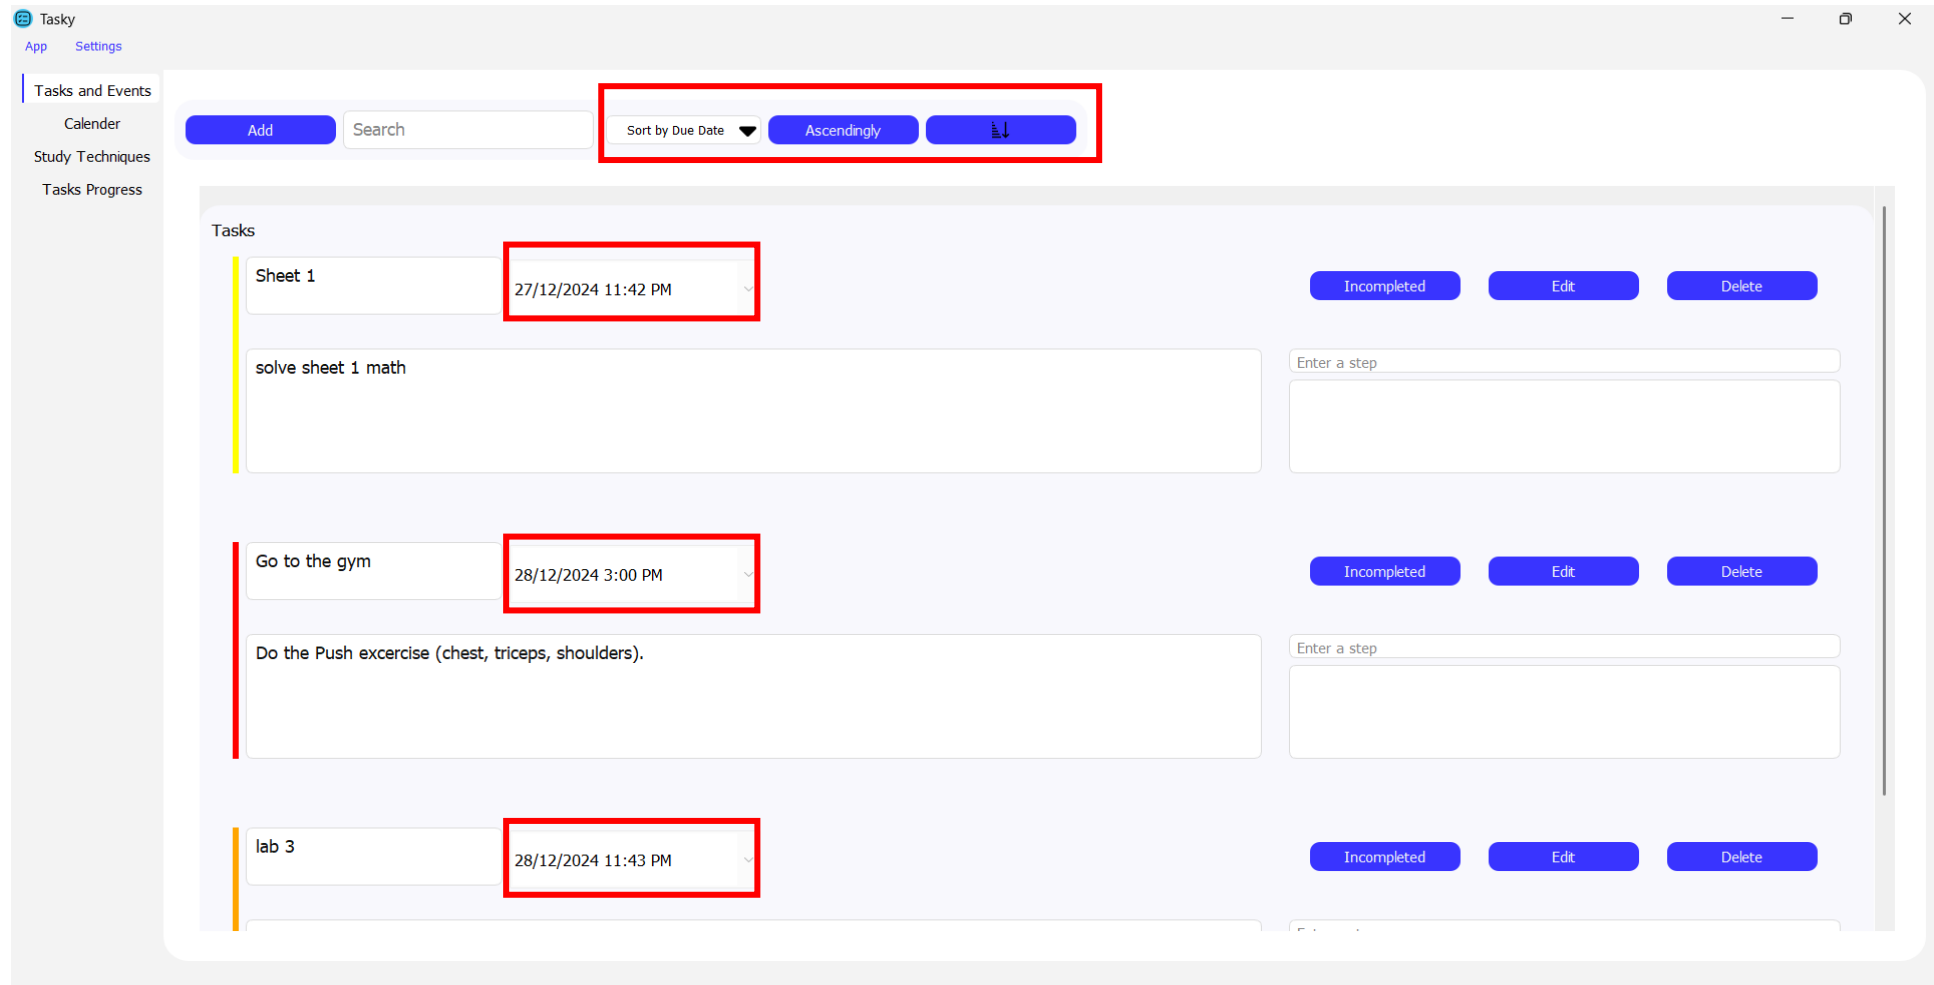

- We can also search for the task based on its tag

The screenshot displays the 'Tasky' application interface. On the left is a sidebar with navigation links: 'App', 'Settings', 'Tasks and Events', 'Calender', 'Study Techniques', and 'Tasks Progress'. The main area features a search bar with the text 'sport' highlighted by a red rectangle. To the right of the search bar are buttons for 'Add', 'Sort by Due Date' (with a dropdown arrow), 'Ascendingly', and a list icon. Below the search bar, a task titled 'Go to the gym' is shown with a date and time of '28/12/2024 3:00 PM'. To the right of the task title are three buttons: 'Incompleted', 'Edit', and 'Delete'. Below the task title is a large text area containing the text 'Do the Push excercise (chest, triceps, shoulders)'. To the right of this text area is a smaller text area with the placeholder text 'Enter a step'.

Task Tab

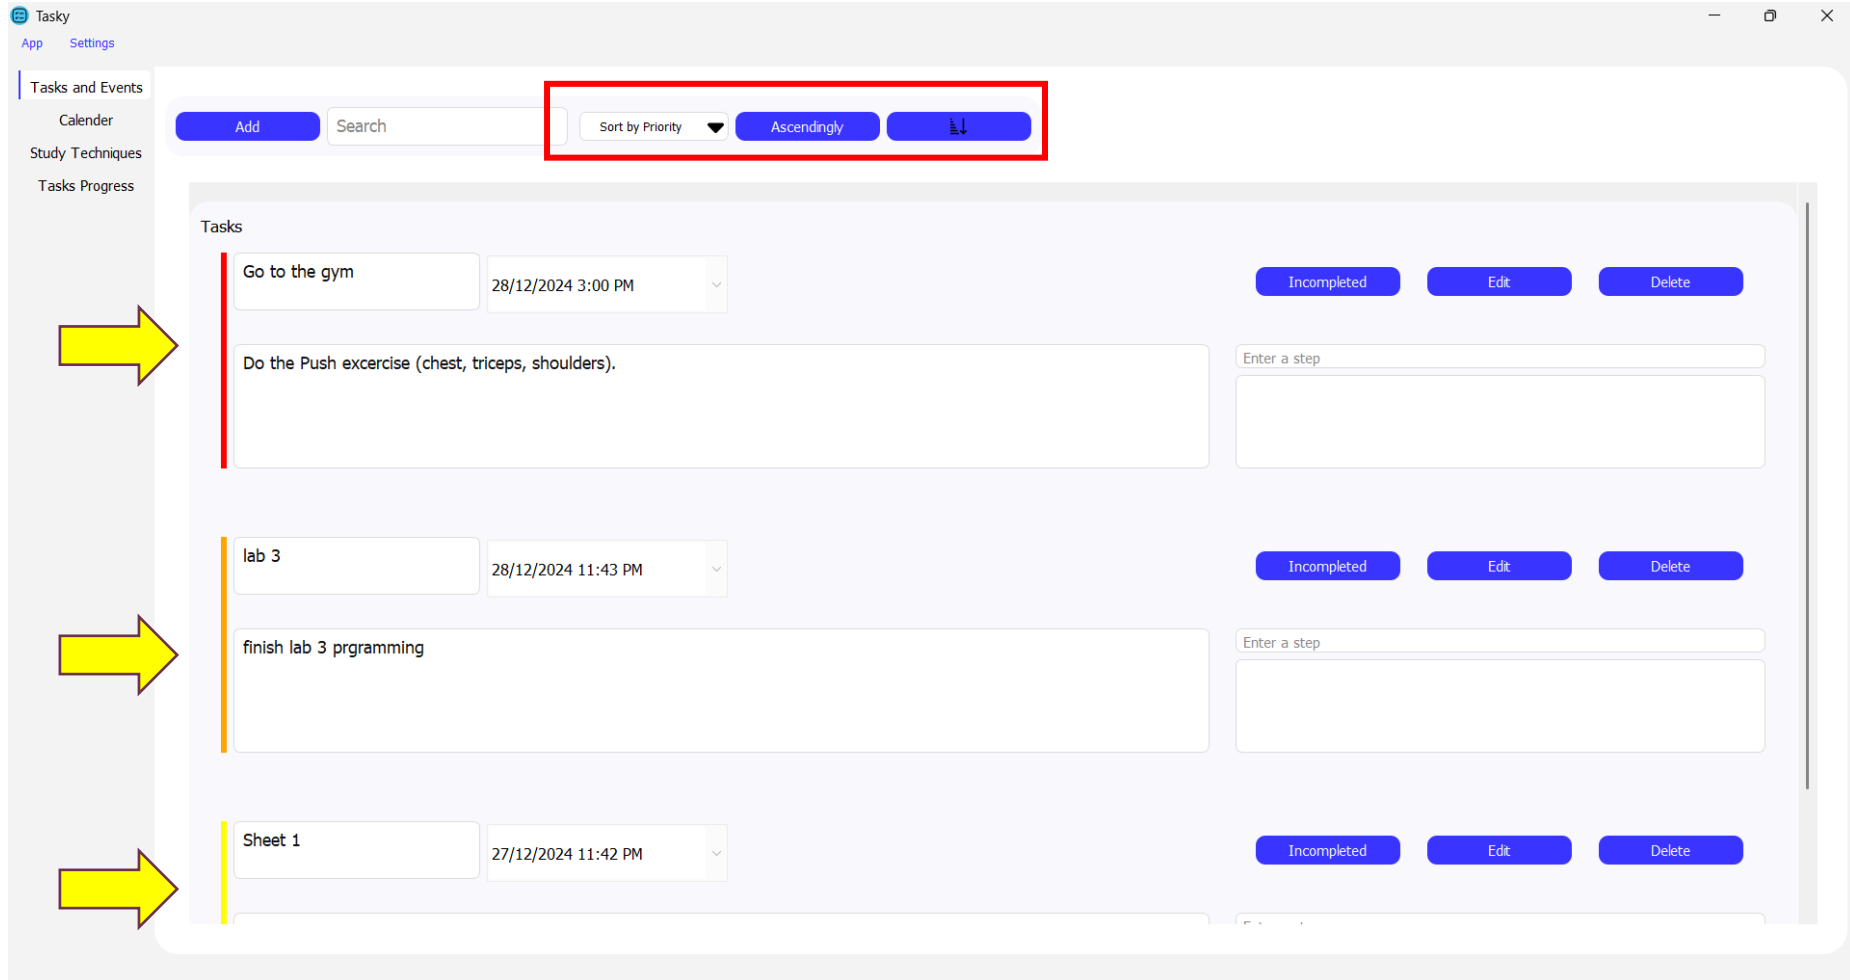

- We can sort the existing tasks based on the “Due Date” in both ascending and descending way

Task Tab

- We can sort the existing tasks based on the “priority” in both ascending and descending way the colors indicates the priority (red for high priority, orange for moderate, yellow for low)

APP SETTINGS

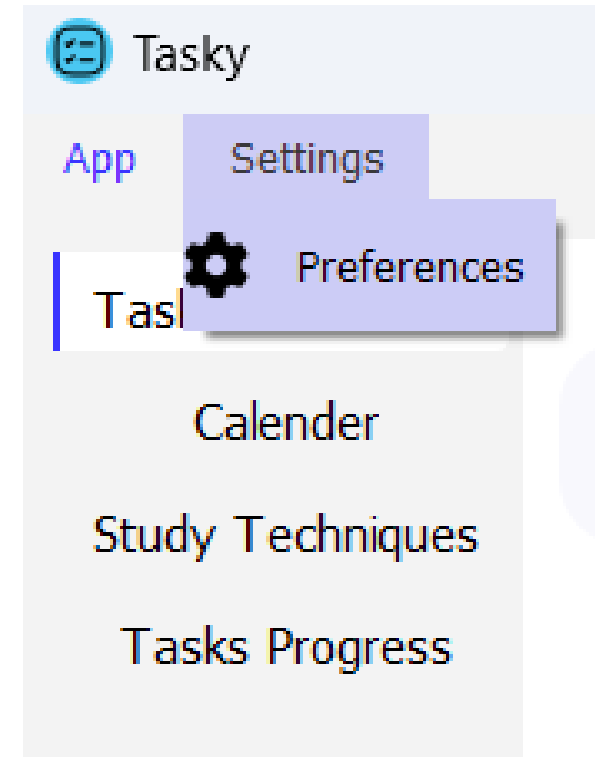

CUSTOMIZE YOUR PREFERENCES
AND APP SETTINGS

App Settings

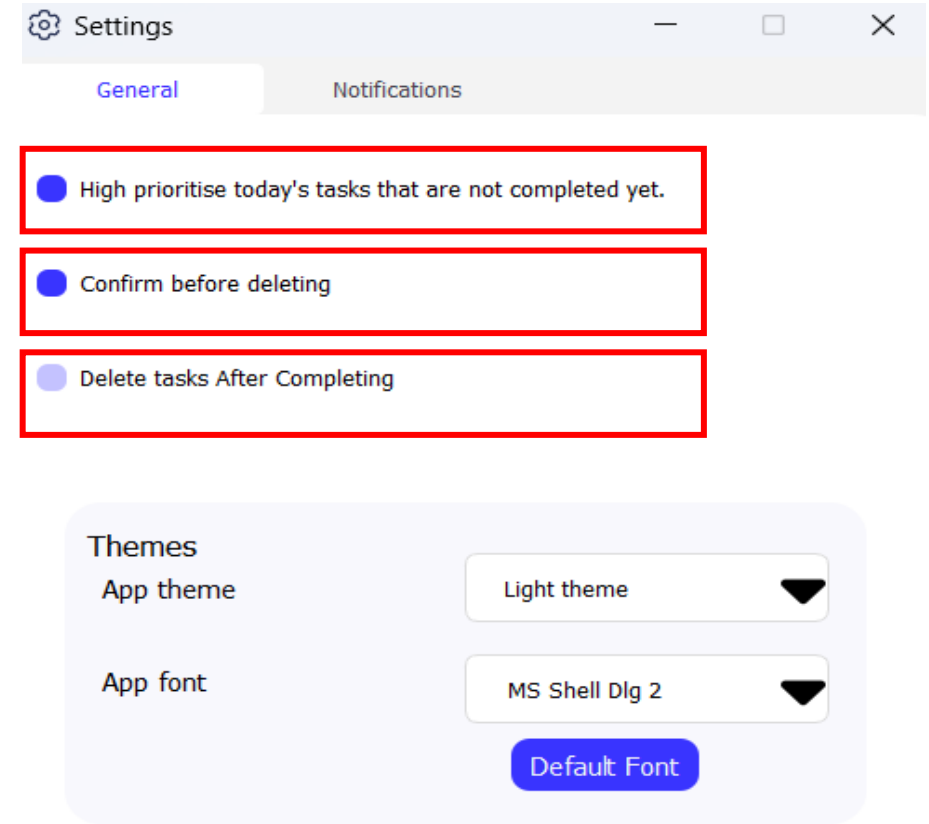

- App settings can be accessed from the top left corner where you can customize the app and choose your preferences

App Settings

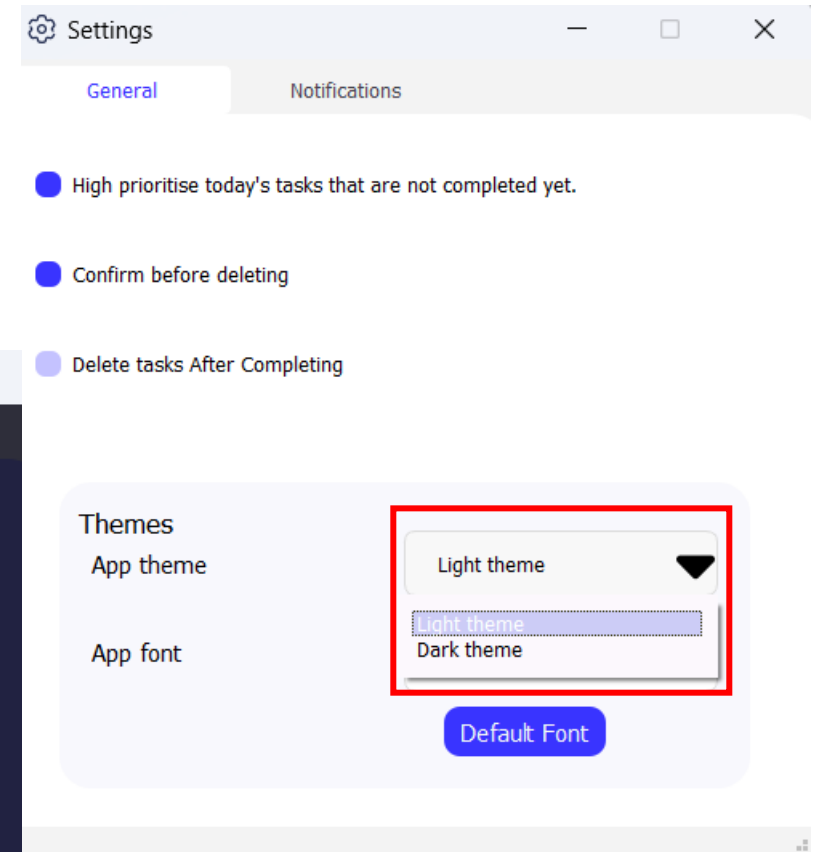

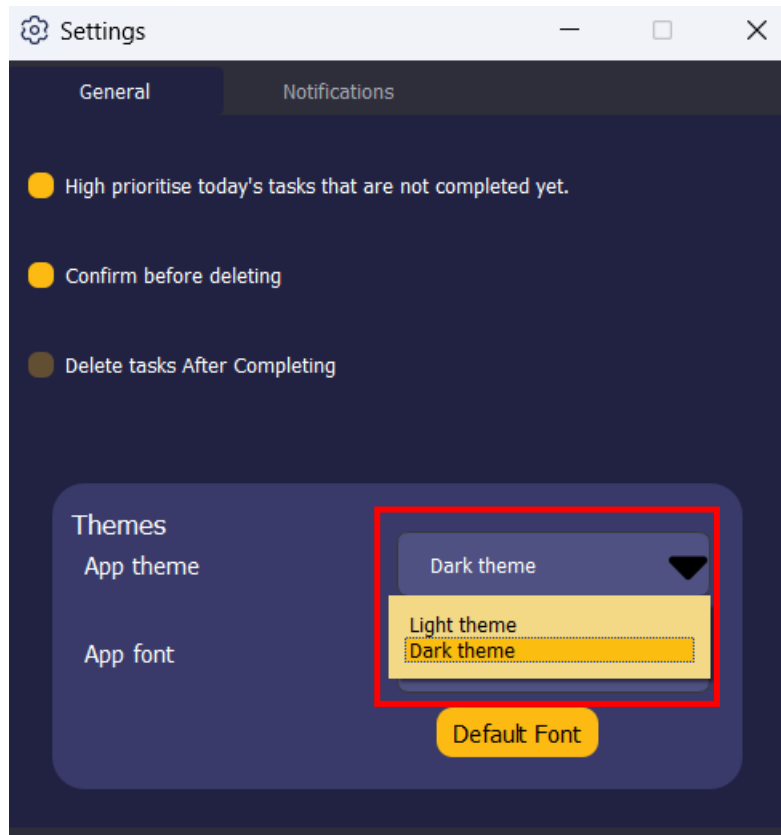

- You can make it automatically prioritizes your tasks.
- You can keep or remove the confirm message when you delete tasks.
- You can make it automatically deletes your completed tasks.

App Settings

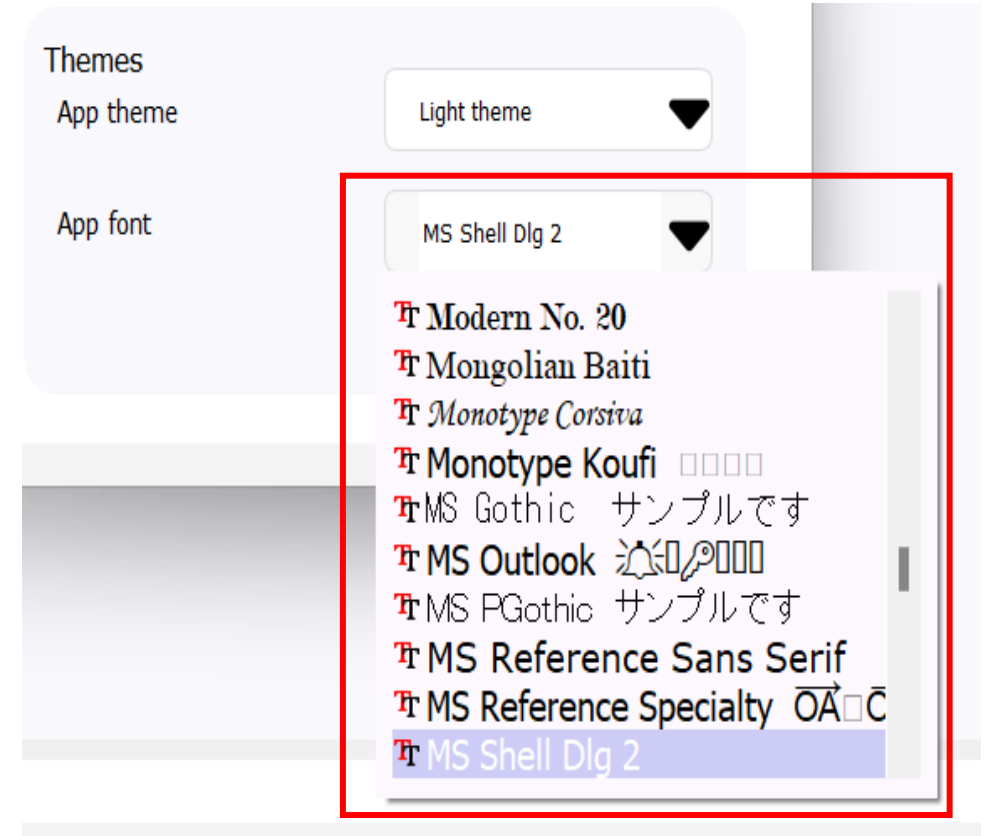

- Change the app theme from light to dark to make it more comfortable for your eyes.

App Settings

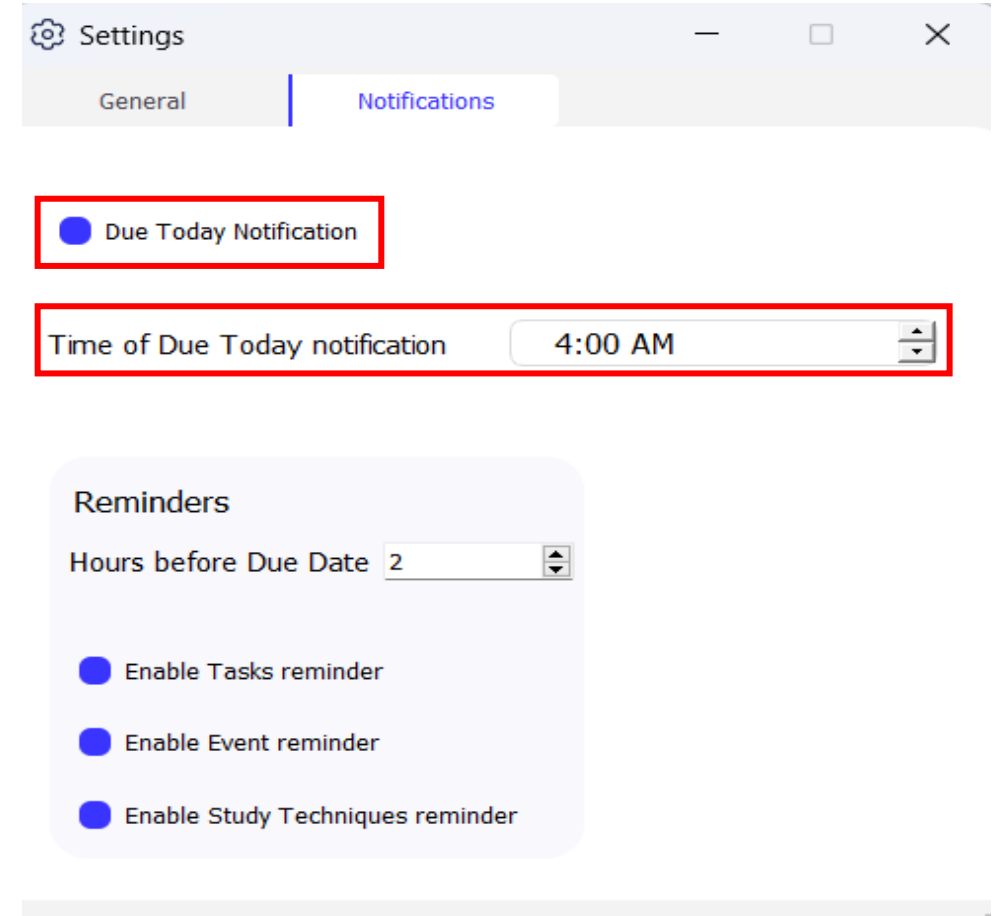

- Change the app font from many different fonts to make the app look best for you.

App Settings

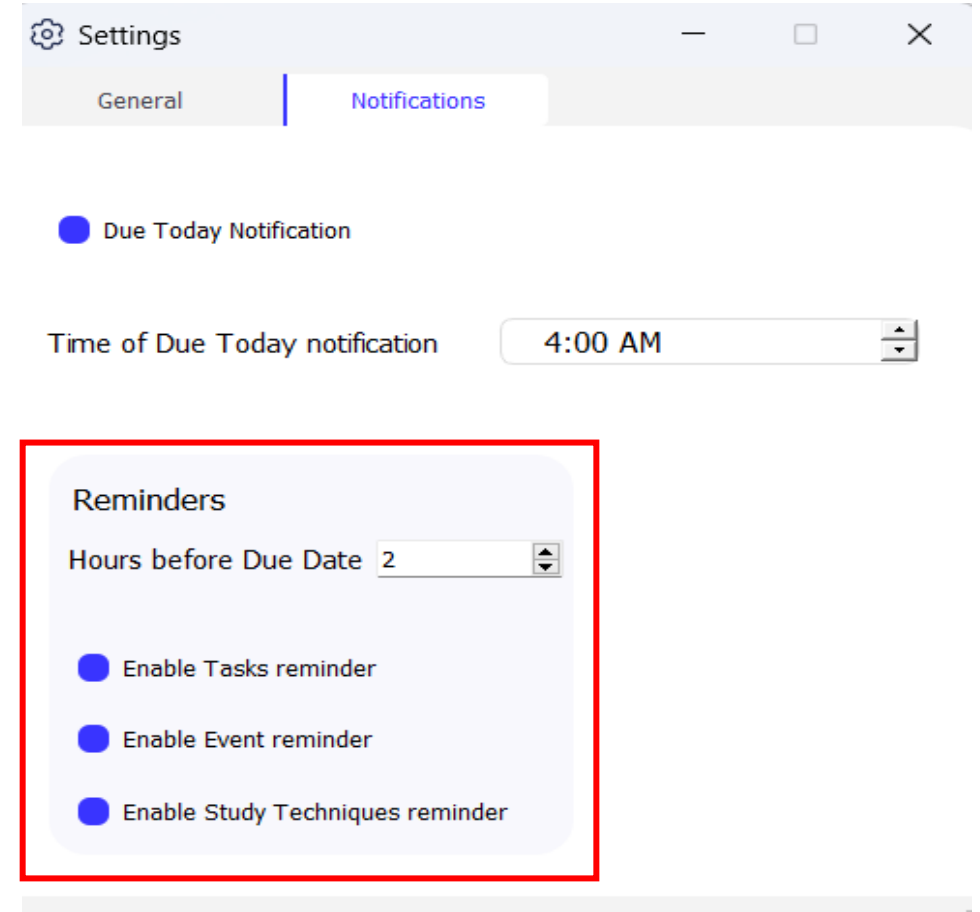

- You can also set a notification for the due today tasks and control the exact time you want the notification.

App Settings
